TWO FLYERS LEAVE DUBLIN FOR NEW YORK

YOUNG NEW YORK BUSINESS GIRL TO FLY OCEAN

MISS FRANCES GRAYSON WILL MAKE FLIGHT TO "HELP RE-ESTABLISH CONFIDENCE IN AVIATION"

PLANE OF AMPHIBIAN TYPE

To Be Nothing Hasty or Haphazard In Attempt—Sure Of Airship

By JAMES L. KILGALLAN, I. N. S. Staff Correspondent. (Copyright 1927 by I. N. S.)

NEW YORK, Sept. 16.—Miss Frances Grayson, young business woman and aviation enthusiast of Forest Hills, N. Y., is going to fly the ocean soon, "not for a thrill," she said in an exclusive interview today, but to "help re-establish confidence in aviation," by proving that ocean flying can be put on a safe and scientific basis, if the right kind of a plane is used and proper advance precautions are taken.

Igor Sikorsky, noted airplane designer, has built for her, at a cost of about \$40,000, an amphibian plane of radical design which is said to be so well constructed that it will largely eliminate anxiety for the safety of passengers on an ocean flight.

Smartly gowned in tan, and speaking in a refined manner, Miss Grayson sat in the lobby of the Waldorf-Astoria this morning and in the first interview she has granted, (being averse to publicity) told of her plans to fly the ocean.

"Caution is necessary in making a flight across the ocean," she said. "The recent disasters have proven that."

"I'm not making a race of it to be the first woman to do it," she continued. "I don't believe in rushing a thing like this. There will be nothing hasty or haphazard in my flight. I intend to be convinced that every bit of the plane is in tip-top shape. I am sure I have the plane that will take me over, and so is Mr. Sikorsky. This is not to be a stunt."

"I am using an amphibian because an ocean flight is presumably over land and sea. So I have a plane that will land on either land or sea."

"The plane is powered with two J-5 Wright whirlwind motors. If one motor goes bad we can use the other. It has a radio, with a sending and receiving apparatus—and an emergency radio, too."

NEW YORK, Sept. 16.—(INS)—

"Sure I'm married—what of it?" So said Ruth Elder, 23-year-old Florida beauty who is here to attempt a New York-to-Paris flight when reporters confronted her today with dispatches from the South saying she is the wife of Lyle E. Womack, of Lakeland, Fla.

"Married girls in New York use their maiden names—why shouldn't I?" she asked.

She thinks she will take off Sunday or Monday. Final preparations for the flight are being made at Roosevelt Field where her plane is undergoing final tests.

VALPARAISO MOURNS

VALPARAISO, Sept. 16.—(INS)—All Valparaiso grieved today over the tragedy that has overtaken Donald A. Shoen, 21, youthful radio engineer who is dead at Goldfield, Iowa, as the result of an airplane crash. Shoen was killed and his companion, Sidney Cleveland, 24, pilot of Goldfield, was seriously injured, when a plane in which they were cruising over Goldfield, nose dived into a cornfield.

Young Shoen was an operator for WRBC, Valparaiso's radio station. In addition to his radio interest, Shoen was keenly interested in aviation. The fatal flight was his first one.

Young Shoen, his wife, the former Marie Gramps, and his mother, Mrs. Martha Moore, left here last Sunday by car for Goldfield.

HOT WEATHER YARN

WARSAW, Ind., Sept. 16.—(INS)—When the mercury for the third consecutive day shot up to 100 degrees here today, Mayor John G. Hansman issued a proclamation extending the straw hat season fifteen days.

Elkhart led in this move as the editor of the Elkhart Truth proclaimed a week's extension of the straw hat season two days ago.

STATE ROAD 43 TO BE OPENED ON SATURDAY

HAYES CONSTRUCTION COMPANY COMPLETES SECTION SOUTH OF GREENCASTLE TO NATIONAL ROAD—KNOWN AS PENETRATION PAVEMENT—NO COST TO TAXPAYERS

State Road 43 from Greencastle to the National road will be opened to traffic Saturday morning, the contractor having completed his part of the work of improving that section with what is known as a penetration pavement.

There is much work yet to be done on the earth shoulders, which will be done this year but the road will not be closed.

The part of the road from the Pennsylvania tracks to J. C. Oakley's residence, and about 1300 feet centering on the Deer Creek bridge is what is known as re-treated surfacing which is of lighter construction than the penetration. These gaps will scarcely be noticeable to the traffic. They are due to pending changes in the road at those two points. The remainder of the road, however, is of the penetration type.

This improvement has been given more care than is usually given penetration jobs, and the result is a road that is said by state authorities and by the contractor, the Hayes Construction company of Indianapolis, to be the best penetration road within the state of Indiana. It is really composed of three distinct road surfaces.

First, the old road bed was built up to correct crown and grade, thousands of yards of stone being required for that purpose, resulting in a macadam road surface which was the best of its kind.

Then, there was placed on top of the old roadbed a waterbound improvement which was not less than four inches deep above the old road, and it was, in turn, the best of its kind.

Finally, the penetration top was added, calling for not less than four inches of heavy stone, all of which was penetrated by heavy asphalt which was rolled in, treated with screenings, and dragged.

The result of these various operations is a roadbed which is not less than ten inches deep with stone at all points, and in many places, is from twelve to eighteen inches deep. Because of the nature of its construction, it should outlast any road within Putnam county, including the state concrete pavements.

The work has been very tedious, much more painstaking than the building of concrete, but state highway specifications have been adhered to in all points. Its cost is paid entirely by the Indiana State Highway Commission, no expense falling upon the tax payers.

JENSEN ON NON-STOP FLIGHT ACROSS THE U. S.

SAN DIEGO, Cal., Sept. 16.—(INS)—Outwitting officers of the Humane Society who it was expected would try to stop the flight, Martin Jensen, second prize winner in the Hawaiian Derby, hopped off from Camp Kearney Mesa at 10:08 a. m. today for a non-stop flight to New York.

With Jensen as passenger was Leo, full grown lion owned by a motion picture company.

DUVALL WILL BE FORCED TO TAKE WITNESS STAND

INDIANAPOLIS MAYOR UNDOUBTEDLY WILL BE FORCED TO DENY ALLEGATIONS BY STATE WITNESSES FOR STATE

DEFENSE TO ATTACK TESTIMONY

Testimony Of Armitage Will Be Attacked On Grounds He Was Forced To Become Witness

By EUGENE J. CADOU, I. N. S. Staff Correspondent.

INDIANAPOLIS, Sept. 16.—With the testimony of William H. Armitage, star witness, unshaken, indications today were that the defense in the trial of Mayor John L. Duvall, of Indianapolis, charged with political corruption, would admit that Duvall received heavy contributions from Armitage, but would deny promises of positions.

Duvall, undoubtedly will be forced to take the witness stand to counteract the amazing tale of positions bought and sold related by Armitage and corroborated by William H. Freeman, who was scheduled for a position on the board of works, according to testimony, it was believed. Mayor Duvall swore on his word and honor as a Mason that he would keep the promise he made to Bill Armitage that he would appoint me as board president, Ernest L. Kingston as board member and Frank C. Lingenfelter as city engineer, Freeman testified.

That the defense would attack the testimony of Armitage on the allegation that he was forced to become a witness to save his brother James E. Armitage from a jail sentence also was indicated. William Armitage admitted that he did not testify before the grand jury investigating corruption until after his brother had been convicted for an attempt to bribe a member of the Marion County grand jury.

Armitage, however, denied he had made a pact with the prosecutors to tell his tale of political misdeeds in exchange for immunity for his brother whose sentence has not yet been carried out.

The length of the trial depends considerably upon the ruling of special Judge C. C. Shirley as to whether the state may introduce evidence concerning Duvall's checkered political past other than that relating to the specific charge under which he is being tried.

Judge Shirley has withheld his judgment on this point since prosecutor William H. Remy was interrupted in his opening statement by defense counsel just as he was at the point of revealing what the state would produce by way of proof of other political deals in which the Mayor has participated.

This evidence relates to Duvall's alleged agreement to appoint Klansmen to 85 per cent of the city positions and his alleged offers of jobs to various Klan leaders and politicians in exchange for support before his election.

CIRCUS ATTRACTS RECORD CROWD THURSDAY NIGHT

The Gentry Bros. Circus had no grounds for complaint of the crowd which attended the Thursday night performance, as every seat was occupied and hundreds stood during the performance.

On account of the late arrival here of the show there was no parade and the afternoon performance was late in starting. The crowd at the afternoon performance, because of the delay in starting and the intense heat, was small. What was lacking in the crowd in the afternoon was made up at the night performance, however.

The circus, which is one of the smaller ones on the road, was meritorious and seemingly was thoroughly enjoyed by the immense crowd.

PUTNAM COUNTY FAIR PREMIUM LIST PRINTED

MISSING BOY IS LOCATED BY AUNT IN KANSAS

TAIT MURDOCK, DEPAUW FRESHMAN, WHO DISAPPEARED FROM LAMBDA CHI FRATERNITY HOUSE TUESDAY EVENING BELIEVED TO BE IN KANSAS

Tait Murdock, of Fort Branch, Indiana, DePauw Freshman, who disappeared from the Lambda Chi fraternity house, Tuesday night, and who, it was feared, might have come to an untimely end, has been located, according to a telephone message received by THE HERALD at 1:30 o'clock this afternoon from Elmer Toops a relative, in Fort Branch.

Mr. Toops stated that in answer to a message he had sent to young Murdock's aunt, who lives in Pittsburg, Kansas he had received a reply stating that she had located the missing boy and that "she would go after him or they would bring him home, this evening."

The message from Kansas was not clear but it is believed that he is all right and that the aunt meant her own home when she mentioned "Home." The message indicates that he is alive but that he might be ill. Miss Grace Wallace, an aunt, who came to Greencastle Thursday to assist in the search for the missing boy also received a message from Fort Branch, stating that the boy had been located. She will return to Fort Branch this evening.

Failure to find any traces of Tait Murdock of Fort Branch, Indiana, DePauw freshman who mysteriously disappeared from the Lambda Chi fraternity house, 206 West Poplar street, Tuesday evening, is causing increased alarm among his college acquaintances and relatives.

Mrs. Grace Wallace, of Ft. Branch, with whom the young man made his home, came to Greencastle Thursday, in answer to a message telling her of the disappearance of her nephew. From Mrs. Wallace, it was learned that the young man's parents are each dead and that he has been making his home with her since the death of his parents. She stated that the young man had previously suffered with severe attacks of heart trouble, and she fears that he has either suffered a severe attack of heart disease and died, while walking in the woods somewhere near Greencastle, or that in a fit of despondency caused by ill health and despondency ended his life.

Through the DePauw Military department order, squads of DePauw cadets were sent into the country surrounding Greencastle Thursday to search for the missing boy but no traces of him were found.

Although there are many that believe the young man simply became homesick and ashamed to return to his home in Fort Branch, simply left town and will show up at home later, this theory is weakened because of the fact that he left his pocket book and all his personal belongings at the fraternity house.

Last year Murdock came to Greencastle to attend DePauw but after two weeks became homesick and returned to Fort Branch. Boys at the fraternity house say that the last they saw of Murdock was at 10 o'clock Tuesday night, when he was in his room. The next morning the bed in his room indicated that he had not slept there, but two of the fraternity boys saw Murdock early

WRITER GIVES IMPRESSION OF FIGHTERS

Challenger Says Fight Won't Go Ten Rounds—Going To Drag One Of Them Out Early

By DAVID J. WALSH, I. N. S. Sports Editor.

CHICAGO, Sept. 16.—Previous to yesterday, both men had played more rounds than they had boxed; more rounds of golf I mean. But just in a spirit of unwarranted vindictiveness toward a writer, who "seen his duty and done it," therefore riding 139 miles between the two camps, Gene Tunney and Jack Dempsey decided to box virtually at the same time but not in the same ring, not by exactly 139 miles.

This was too much. These men actually were going to don gloves and mix socially with their sparring partners. The writer, by dint of much arduous travel, was the only man who saw both of them do it.

He, therefore, can give exclusively his impression of them as they appeared just one week before their meeting for the world's heavyweight championship. Briefly, it is this: That Gene Tunney is at least as good, if not better than he was before the Philadelphia fight last year. That Jack Dempsey is a better man than he was before the Sharkey fight two months ago.

How much better he will have to be to beat a good fighter like Tunney remains for the night of September 22 to disclose. He is talking a great fight.

"One thing you can bet on," he said after last night's workout. "This fight won't go ten rounds. I had that happen once and it was enough. This time, they will drag one or the other of us out by the heels before it is over."

SUSPECT IS RELEASED

DETROIT, Sept. 16.—(INS)—Foster B. Welch, 34, arrested by Detectives investigating the death of Miss Catherine Hayes, August 10th, in Bloomington, Ind., was released by police today.

Welch was taken into custody after police received a letter from Mrs. F. A. Wooden, of Bloomington, stating that Miss Hayes, her sister, died as the result of a beating.

Detectives learned however, that the woman died of natural causes.

BRATTAIN TO BE ARRAIGNED THIS EVENING

MANHATTAN MAN CHARGED WITH ASSAULT AND BATTERY WITH INTENT TO KILL TO BE GIVEN HEARING BEFORE JUSTICE KAUBLE

Arthur Brattain, age 39 years, a Manhattan man, charged with assault and battery with intent to kill in an affidavit filed by John Vaughan, a Terre Haute salesman, will be given a preliminary hearing before Justice of the Peace J. J. Kauble at 5 o'clock this afternoon.

If sufficient evidence is introduced at the hearing to warrant a trial the case will be certified over to the Putnam Circuit court.

If the evidence shows only assault and battery the Justice of the Peace is empowered to fine the defendant. The charge against Brattain grew out of an affair at a Manhattan garage when Brattain, said to have been drinking attacked and assaulted Vaughan. He was later arrested and released on bond.

PAYS FOR CORN

MITCHELL, Ind., Sept. 16.—(INS)—A day and a half at the penal farm for every bushel of corn he stole was the penalty imposed by Mayor McFall here on Russell Ritchison, one of two youths arrested on the charge of corn stealing. Ritchison confessed to stealing about 75 bushels of corn and was sentenced to 101 days on the penal farm.

Detective H. O. Hoffman, working under the direction of the Indiana Farmers' Guide made the arrests.

TO CELEBRATE SILVER JUBILEE OF REV. MULLEN

RT. REV. JOSEPH A. CHARTRAND, BISHOP OF INDIANAPOLIS DIOCESE TO OFFICIATE AT SERVICE AT ST. PAUL'S CATHOLIC CHURCH TUESDAY

On Tuesday, September 20, the citizens of Greencastle and members of St. Paul's Catholic Church will witness the celebration of the Silver Jubilee of the Rev. John J. Mullen, Pastor, commemorating Father Mullen's twenty-five years in the Priesthood. The services will be held Tuesday morning at St. Paul's Catholic Church at 10 o'clock, with the Rt. Rev. Joseph A. Chartrand, Bishop of the Indianapolis Diocese and visiting Clergy from this Diocese and out State Diocese officiating at Solemn High Mass. The Priests' Choir of the Diocese of Indianapolis, will render the music.

Father Mullen has been in charge of the Greencastle Parish for several years, having taken the place of Rev. John Walsh, and since being in Greencastle Father Mullen has made many friends among the citizens of the community who wish him many more long years of success.

CHAS. TURNER WILL UNDERGO AN OPERATION

Charles Turner, elderly feed store proprietor of Cloverdale charged with selling illicit liquor to a young man, who was scheduled to appear for trial in city court here Monday, was taken to the Indiana Christian Hospital in Indianapolis Thursday where he will undergo an operation for kidney trouble.

Turner, at the time of his arrest, asserted that it would have been impossible to have sold liquor as charged, because he was under a doctor's care and had not left his home on the evening of the alleged sale.

His arrest followed the apprehension of a young man in this city early one morning. The young man, driving a car, had invited a friend within the hearing of officers to "have a drink." The officers investigated and found a small quantity of booze and learned the young man had been drinking.

The young man had come here to meet a girl friend on the morning Monon train and begged officers to permit him to meet the train. Officers told him they would grant the request provided he revealed the source of his liquor. They also promised to do all they could to secure immunity for him. He then told where he secured the liquor and filed an affidavit against Turner, charging that he sold him the liquor. Turner's arrest followed. The Cloverdale man, however, secured his release under bond and was scheduled to appear for trial Monday. He failed to appear but filed affidavits alleging it was impossible to appear because of illness.

CAPT. M'INTOSH UNDETERRED BY OTHER FAILURES

PRINCESS XENIA HOPS OFF WITH PILOT AND NAVIGATOR AT 12:35 O'CLOCK FROM DUBLIN, IRELAND

MONOPLANE IS A FOKKER

Machine Carries Sufficient Gasoline for 40 hours Flight—Weather Is Favorable

DUBLIN, Sept. 16.—(INS)—Flinging defiance to the fates which have overwhelmed eight other trans-Atlantic flyers within the past few weeks, Captain R. H. MacIntosh and Commandant Fitzmaurice, Commandant of the Irish Free State Air Force, hopped off from Baldonnel aerodrome at 12:35 o'clock today on an attempted round trip flight from Europe to New York and return.

Two and a half hours later, the plane passed over the Renmore coast guard station on the west coast of Ireland, and headed out over the north Atlantic on its long over-water jump.

If successful in the non-stop flight to New York, Capt. MacIntosh announced he would attempt a return flight to Europe, possibly with Vienna as his destination.

The flyers are using a Fokker monoplane, the Princess Xenia, which is powered with a single 550-horse power Jupiter-Bristol 9-cylinder motor. They carried 701 gallons of gasoline, which was estimated as sufficient for 40 hours' flying.

They expect to reach New York some time early tomorrow afternoon, New York time.

The Princess Xenia carried no wireless equipment. A flare pistol for signaling in case of distress, and a tiny pneumatic rubber boat, were included in the plane's equipment, however.

"With luck, we will do it," Capt. MacIntosh declared just before the start. "We are steering a direct course for Newfoundland, and expect to reach New York in 26 hours."

"This flight is not a foolhardy venture. I have taken every possible precaution. There must be a certain amount of luck to achieve success. But I believe it is possible to pay too much attention to the casualties that have resulted from trans-oceanic flights. Some one must take the risks if there is to be progress."

THEMOMETER BROKEN WHEN MERCURY RISES

TEMPERATURE REACHES MAXIMUM OF 98 DEGREES ABOVE ZERO THURSDAY—INSTRUMENT BROKEN AS RESULT OF HEAT

Rapid rise of the mercury in the large thermometer on the south side of the Marshall Feed store, at Walnut and Vine streets, caused the thermometer to break, during the day Thursday. The thermometer was capable of registering 130 degrees above zero.

According to the local government thermometer the maximum temperature Thursday was 98 degrees above zero.

INDIANAPOLIS, Sept. 16.—(INS)—Despite prognostications to the contrary "perspiring weather" will continue to grip most of the state for at least another 48 to 72 hours, Government Meteorologist J. H. Armington said today. The expected cool wave which was to bring relief from the torrid September temperatures has failed to reach Central and Southern Indiana due to a "variation in the pressure field" Armington explained.

The Theta Alumnae meeting which was to have been Saturday afternoon has been indefinitely postponed.

"KONJOLA ENDED

 Compound

Crowds continue to call since the
 Konjola Man has taken up his head-
 quarters at the Owl Drug Store, 14

 where he is explaining this new
 medical preparation, Konjola, that
 has brought such amazing relief in so

many cases of stomach, liver, kidney
 and bowel disorders and rheumatic
 and neuritis troubles. At the same
 time, report after report is now being
 received in Greencastle from other
 larger cities where Konjola has al-
 ready been introduced, in which the
 work of this remarkable medicine in
 actual cases is described. The follow-
 ing statement was recently made by
 Mrs. Ella Stukins, 647 Exchange St.,
 Akron, Ohio.

"I know about the work of Kon-
 jola," said Mrs. Stukins. "This medi-
 cine has ended all the health trouble
 I had, and I am feeling better than I
 have in years."

"My suffering was due to disor-
 dered stomach and sluggish liver. The
 food I ate brought on indigestion
 and caused a sour, acrid condition in
 my stomach. I had bursting head-
 aches, lasting for days at a time, and
 often became dizzy like I was going
 to faint."

"Konjola was recommended to me,
 and it has turned out to be the first
 medicine that actually ended my
 troubles. My digestion is perfect now
 and I can eat dozens of different
 foods that I never dared to touch be-
 fore. Everything agrees with me. I
 have never had a headache, or dizzy
 spell since the second day I took
 Konjola, and I know that I am deep-
 ly indebted to this new medicine for
 the health I now enjoy. I gladly in-
 dorse it to others who suffer."

The Konjola Man is at the Owl
 Drug Store, 14 West Washington St.,
 Greencastle, where he is daily meet-
 ing the local public and introducing
 and explaining the merits of this
 remedy. Free samples given.

Coast-to-Coast
Record
Commander

4-DOOR SEDAN DRIVEN BY AB JENKINS

FROM ATLANTIC TO PACIFIC IN

77 hours and 40 minutes

Ab Jenkins, building contractor of Salt Lake City,
 driving his own Studebaker Commander Sedan,
 was checked out at Tottenville Ferry, New York
 City, at 8 p. m., August 30, 1927, by Colonel James
 Justice, Commanding Officer, Miller Field, Staten
 Island; A. H. Means, of the American Automobile
 Association; and P. S. O'Neill, of the Western
 Union Telegraph Company. He was checked in
 by Western Union at Carquinez Bridge on San
 Francisco Bay at 10:40 p. m., September 2, 1927.
 His total elapsed time was 77 hours and 40 minutes.

Note that the record was made by an en-
 closed car which lists at \$1495 f. o. b. factory.
 All previous transcontinental records have
 been made by open cars.

In June, 1926, Ab Jenkins drove his Studebaker Big Six
 Sheriff from New York to San Francisco in 86 hours and 20
 minutes, beating the best time of the crack limited trains and
 reducing the previous record by 16 hours and 25 minutes.

In August, 1926, L. B. Miller drove a Wills St. Claire open
 roadster from New York to San Francisco in 83 hours and 12
 minutes.

In June, 1927, L. B. Miller drove a Chrysler "90" open
 touring car, which is priced a thousand dollars above The
 Commander, from San Francisco to New York in 79 hours
 and 55 minutes.

No wonder The Commander has been acclaimed "the
 greatest post-war achievement of automotive engineering" and
 is outselling the combined totals of all the other cars in the
 world which equal it in rated horsepower.

GREENCASTLE, INDIANA

Beautiful in design—thoroughly modern—mechanically right

LOCAL HAPPENINGS

Born Sunday, Sept. 11, 1927 to Mr. and Mrs. Branham Austin of Rockville, a daughter, Lou Ella Mae. Mr. Austin was a Greencastle young man and Mrs. Austin is a Rockville young lady. They formerly lived at Brick Chapel.

Kenneth Paxton, south Vine street, reported to Marshal David Braden Friday morning that thieves had taken a tire from his automobile while the machine was parked in Northwood Thursday night.

The Indian Refining Company, Inc., has filed suit in the Putnam Circuit court against Clarence E. Stewart to collect an alleged unpaid account of \$181.87. S. W. Lee of Brazil is attorney for the plaintiff.

Mr. and Mrs. Willis Vermilion and son Willis Leon, Jr., of Grand Rapids, Mich., and Mrs. Hattie Wangelin, of Indianapolis, are visiting Mr. and Mrs. S. A. Vermilion, Poplar and Jackson streets. Willis Vermilion is a son of Mr. and Mrs. Vermilion.

Two youths of the Ladoga vicinity, Menefee Benson and Harold Suits, Wednesday were facing charges of contributing to delinquency, as the result of statements made to authorities by two local girls, Emma Taylor, 12, and Nora Newlin, 12. The alleged mistreatment which resulted in the girls' charges took place the girls claim at Martin's Dam on Saturday night. The youths vigorously deny the charges. Both were released Wednesday under bonds of \$550 each.—Crawfordsville Review.

Mr. and Mrs. Fred L. O'Hair and son and daughter are expected home this week-end from their northern Wisconsin cottage. Mr. O'Hair drove to Wisconsin the early part of the week to accompany Mrs. O'Hair and children home.

Miss Mary Case, of the Beck Sales Co., who is spending her vacation on a ranch near Boulder, Colo., is expected to return to her home here soon.

NICHOLSON FUNERAL

RUSSELLVILLE, Sept. 12.—Funeral services were held at the Christian church Monday for Hartley Nicholson, 49, who died on Saturday at Newcastle, his home for the past two years. The Rev. Davis officiated.

Mr. Nicholson is survived by five brothers, Lew, Amos, Harvey, John and Ben.

LEGIONNAIRES INVADE PARIS FOR CONVENTION

SECOND INVASION OF A. E. F. BEGINS WITH DOCKING OF LINER S. S. LEVIATHAN—MORE THAN 1,000 ON SHIP

By GEORGE R. HOLMES
I. N. S. Staff Correspondent.
CHERBOURG, France, Sept. 16.—The S. S. Leviathan, bearing more than 1,000 joyous members of the American Legion to Paris for the convention of that organization, arrived in the harbor of Cherbourg at 4 o'clock this morning.

Screaming sirens and whistles, a cordon of six French cruisers and a circle of roaring seaplanes greeted the great liner as it steamed into the harbor. Four hours later, the Leviathan dropped anchor and the headquarters staff of the Legion stepped off the liner onto a waiting tender.

The second invasion of the A. E. F. had begun.

W. F. M. S. ELECTS

On Wednesday afternoon at 2:30 o'clock the Woman's Foreign Missionary Society of the Methodist Church met in the church parlors and elected their officers for the ensuing year. Also a report was given and the work for the year was closed. The new work will begin with the month of October.

Mrs. C. H. Taylor gave a talk on the new text book "A Straight Way Toward Tomorrow" which will be used during the next year. The time of the meeting was changed from the second Wednesday of each month to the first Wednesday of the month. The following officers were elected for the ensuing year:

ARRESTED FOR DRUNK

John Morgan, age 40 years, of this city, was arrested Friday noon on the banks of Big Walnut Creek, west of town, and locked in the County Jail, facing a charge of intoxication.

FIRST VISIT IN CITY IN FORTY-THREE YEARS

Mark Brighton, age about 60 years a native of Brazil but now a resident of Cincinnati visited Greencastle Friday for the first time since he left school here forty-three years ago. Mr. Brighton expressed surprise at the changes in the city. Since he left here the Court House has been built and other changes startling to an old-timer, made.

One of the first questions asked by Mr. Brighton was whether the old Grand Central Hotel was standing. He expressed surprise when told it had been replaced by a modern gymnasium. Other interrogation concerned the whereabouts of former citizens, now dead or removed from the city.

One of his first visits while in the city was to Charles Southard, proprietor of the Southard Book store. Mr. Brighton remembered Mr. Southard as a clerk in the J. K. Langdon Book Store, located then on the southeast corner of Indiana and Washington streets.

Mr. Brighton expects to remain several days in the city visiting familiar scenes and looking up old acquaintances.

VETERANS WILL JOIN IN ANNUAL PICNIC SUNDAY

TWO CAMPS OF SPANISH WAR VETERANS PLAN AFFAIR AT GREENCASTLE

A large delegation of local Spanish War veterans with their families will leave this city, Sunday morning, September 18, for Greencastle, to attend the annual joint picnic of Frank Britton Camp, No. 16, of this city, and Earl Pisk Camp, No. 48 of Greencastle.

All veterans of the Spanish war and their families are urged to attend and to bring well-filled baskets for the "mess" at noon.

The picnic is an annual affair which each year attracts a large number of people. Department Commander McHatton of Rockville will be among the state officers in attendance Sunday.

The members of Frank Britton camp who plan to attend are asked to meet at the interurban station here Sunday morning at 9 o'clock.—Crawfordsville Review.

BIRTH STATISTICS SHOW MORE BOYS THAN GIRLS

NEW YORK, N. Y., Sept. 16.—That this is a man's world has long been the claim of feminists. Along comes the statistician and tells us that all the world over more boys are born than girls. In the United States in recent years, according to birth statistics, the ratio of male to female births has been approximately 1.06 to one. This means that there are 106 boys born for every 100 girls.

But it is only at birth that males are thus six per cent in excess. The ratio in the actual living population as a whole is different, first, because death takes a relatively greater toll among males than among females and, second, because there has been a preponderance of males among immigrants entering the States. These two influences obviously work in opposite directions, but the net result is that in the total population in the United States 104 males to every 100 females.

FORMER DEPAUW STUDENTS WED BY PROF. GOUGH

MISS MILDRED GOUGH JOHNSON AND LOWELL RUSSELL HESS UNITED IN CEREMONY AT ROBERTS PARK M. E. CHURCH FRIDAY AFTERNOON

Indianapolis, Sept. 16.—The marriage of Miss Mildred Gough Johnson, daughter of Mr. and Mrs. C. Wilham Johnson of Peoria, Ill., to Lowell Russell Hess, Indianapolis son of Mr. and Mrs. H. W. Hess of Newcastle, which will take place at 4 o'clock today.

The ceremony will take place in Roberts Park M. E. Church in the presence of the immediate families and will be performed by Prof. Harry B. Gough head of the Public Speaking department at DePauw University and an uncle of the bride. Miss Johnson attended DePauw

university, where she was a member of Kappa Alpha Theta. Mr. Hess is a graduate of the same university and is a member of Phi Gamma Delta. They will make their home in this city after a short wedding trip.

MRS. ALLISON DIES FRIDAY

MOTHER OF MRS. JACOB KIEFER PASSES AWAY AT AGE OF 89 YEARS—FUNERAL TO BE HELD SATURDAY MORNING

The death of Mrs. Lydia Anne Allison, age 89 years, for the past nine years a resident of this city, occurred at the home of her daughter, Mrs. Jacob Kiefer, 711 south College avenue, at 5:30 o'clock Friday morning as a result of a complication of diseases caused by advanced age.

Besides the daughter, Mrs. Allison leaves a son, Harry Allison, also of Greencastle.

Short funeral services will be held at the Kiefer residence Saturday morning at 9 o'clock conducted by the Rev. I. H. Ferris, pastor of the local Baptist Church. The body will be sent to her former home at Harrington, Kansas, for burial.

UNIVERSITY DEBATE MAY BE INTERNATIONAL

HAROLD T. ROSS, GRADUATE INSTRUCTOR, WORKING ON SCHEDULE—TRYOUT DATES MAY BE HELD THIS MONTH

Harold T. Ross, new instructor in public speaking, is already at work on the DePauw debate schedule. If he is able to carry out plans, DePauw's schedule will include international debate this year.

If a minimum of eight women are interested in forming a definite squad, tryouts will be held on the scheduled tryout dates, September 29 and 30. All debaters will tryout on these days. Tryout speeches will be four minutes in length, on the question of the Indiana Debating League: Resolved, that the direct primary system for nomination for state and federal officers should be repealed.

Tentative dates on the DePauw debate schedule include a triangular debate with Purdue and Notre Dame March 2 and a triangular debate with Oakland City and Butler, March 16. There is also a probability of a triangular freshman debate with Purdue and Indiana.

today confessed that they "pulled off" the robbery of the Goodman Department Store singlehanded and sobbingly protested that their mother, Mrs. Mausie Appel, 35, was innocent. The girls raided the store on the night of November 2, 1926 and got away with fur coats and dresses valued at more than \$1,000.

As a result of the confession made to Chief of Police Vernon Shields, the girls probably will be tried in juvenile court here while their mother will be released, the chief stated.

Miss Wallace stated that several months ago the young man was attacked with heart trouble and lay unconscious for four hours in the basement of her home before he was found. Miss Wallace is fearful that her nephew has been stricken with one of these attacks and that he has succumbed to the attack.

CENTENARY EXHIBITION AND PAGEANT OF TRANSPORTATION CELEBRATING 100 YEARS OF RAILROADING

A miniature World's Fair covering more than 25 acres—a great pageant that presents thrill after thrill! See the rocking, creaking stage coach, the pioneers in their lumbering Conestoga Wagons; see tiny "Tom Thumb", the first American locomotive, puff valiantly by, followed by the curious "grasshoppers" and "camels" of later decades, through the progress of the years up to the majestic "President" engines that haul Baltimore & Ohio trains of today; and the huge, modern express locomotives of British and American Railroads.

Pageant will move daily except Sunday and Monday at 2:15 P. M. Ample room for 50,000 visitors. Grandstand seats 12,000.

Also many exhibits to fill an interesting day; music, entertainment, refreshment facilities.

NO ADMISSION CHARGE. For reserved seat tickets, write to The Centenary Director, Baltimore & Ohio Railroad, Baltimore, Md., and specify the day you want to come.

Exhibition open Weekdays 10 A. M. to 5 P. M.
Sundays 2 P. M. to 5 P. M.

Smoke-nickels are worth more than ever!

TODAY a nickel is good for more smoking pleasure than ever before. Yes, sir! For that's all it costs to light up and enjoy a fresh, mellow Havana Ribbon cigar!

You may think a 5c cigar simply can't be good—so many of them are always claiming to be "worth really more." But here's one that's different. Havana Ribbon actually sold for more for years! Sold big! And those same volume sales are just the reason it can be a nickel today.

Havana Ribbon is a real cigar, man. As mellow-as-can-be. Full-bodied, fragrant and friendly! Just from smoking it, you'd never guess it could be bought for so little. Try it. At the nearest cigar store. You'll vote that 5c piece the greatest smoke-nickel you ever spent!
